History of our SCHOOT-AN Genever

SCHOOT-AN is a genever made by the oldest distillery in Amsterdam. The genever is distilled according to a V.O.C. recipe from the 17th century. The recipe has been passed down from father to son and contains a grain distillate with anise, dill, fennel, chervil and a secret herb that is only known at the distillery.

-Only available here in the weepingtower-
